75 Soft Challenge

Four daily rules, one recovery day a week, 75 days.

WHY IT HELPS

75 Soft is the gentler version of 75 Hard. You keep four daily rules for 75 days with a weekly recovery day, and a missed rule does not send you back to day one.

HOW TO USE IT

Plan	Write your version of each rule.
Track	Tick each rule every day.
Check	Count the week every seventh day.
Review	Look back on day 75.

A missed rule is not a restart. Leave the circle empty and carry on tomorrow.

Dana's sixth week

Dana, 38, started on March 2 to build steadier habits after a busy winter. This is her plan and one week of her tracker.

1 Dana's version of the four rules

Eat well

Home cooked dinners. Alcohol only at dinner with friends.

Move

Walk at lunch or yoga after work. Sunday is my recovery day.

Water

3 liters. Fill my 1 liter bottle three times.

Read

10 pages of a novel before bed.

2 Days 36 to 42

DANA'S NOTE

A missed rule is one empty circle, not a restart. Day 43 starts fresh.

My 75 Soft plan

Write your own version of each rule before day one, so every tick means the same thing for 75 days.
